EDUCATION

Molloy College, Rockville Centre, NY – Computer Science

I am currently in my junior year at Molloy College. My intended bachelor's degree is in Computer Science.

South Side High School, Rockville Centre, NY

Class of 2016

While at South Side, I took full international baccalaureate courses and remained top of my class. I served as President of my class for three years while balancing various varsity sports and extracurricular activities.

Past Employment

Town of Hempstead Ocean Rescue, Lido Beach— Senior Guard

For the last four years I have worked as an ocean lifeguard for the Town of Hempstead. I was promoted to Senior Guard at a young age and maintain full responsibility of being a leader while also ensuring the safety of the public and my crew.

Intoxx Fitness, Rockville Centre

I have worked for Intoxx Fitness health club for the last year. At Intoxx I am responsible for managing the entire gym. Furthermore, I am in charge of new membership contracts and billing.

SKILLS

I am a quick learner and can adapt to any situation.

I can communicate thoroughly and properly with all different people.

I am incredibly hard working and work tirelessly to achieve my goals.
